

Artist Development Intern

About Us

Music Forward Foundation is a national nonprofit organization inside the House of Blues and Live Nation family that transforms young lives, inspires careers, and champions a more inclusive music industry. Music Forward provides artist development and music industry career programs for youth in underserved communities and sets the stage for success by providing workshops, panels, showcases, internships, and scholarships to inspire the next generation of diverse industry leaders, artists, and innovators.

Our Internship Offer

You will work closely with managers and coordinators, owning ongoing responsibilities and 1-2 long-term projects tailored to your interests, abilities, learning objectives, and length of the internship. These projects are designed to give you insights into non-profit and music industry operations, as well as build project management, collaboration, and communication skills. Working with the Education Team, you will have front row opportunities to help future leaders of the music industry gain access to the essential skills and tools it takes to be successful. Overall, you will gain a deeper understanding of working in a professional environment and have ample opportunity to grow as a young professional. The internship is virtual with in-person opportunities at our Los Angeles office.
