

Marketing – Video Editing Intern

About Us

Music Forward Foundation is a national nonprofit organization inside the House of Blues and Live Nation family that transforms young lives, inspires careers, and champions a more inclusive music industry. Music Forward provides artist development and music industry career programs for youth in underserved communities and sets the stage for success by providing workshops, panels, showcases, internships, and scholarships to inspire the next generation of diverse industry leaders, artists, and innovators.

Our Internship Offer

You will work closely with the marketing team and have ongoing responsibilities including 1-2 long-term projects tailored to your interests, abilities, learning objectives and timing of the internship. Our internships are designed so interns can receive insight into brand marketing strategy, as well as develop project management, collaboration and presentation skills. This is an excellent opportunity to gain hands-on experience in a national, non-profit organization. The internship is virtual for interns outside of Los Angeles county. Los Angeles county-based interns are expected to work in the office on Thursdays and attend in-person events as scheduled in advance.

Responsibilities

- Assisting the marketing team with video-related projects
- Executing on video editing projects
- Digital asset management and organization
- Brainstorming and developing video marketing campaigns for our social accounts
